CAREER OBJECTIVE

A passionate Computer Science undergraduate with hands-on experience in front-end web development using HTML, CSS, JavaScript, and React.js. Seeking a challenging role where I can apply my technical skills to build impactful digital products, grow professionally, and contribute meaningfully to a dynamic development team.

TECHNICAL SKILLS

Languages: Java, HTML, CSS3, JavaScript

Frameworks: React.js

Tools: Git, GitHub, VS Code, Linux

CERTIFICATIONS

- Master Java Concurrency & Multithreading Masterclass — Scaler Masterclass | Sep 2025
- [SQL \(Intermediate\)](#) — HackerRank | Feb 2025
- [SQL \(Basic\)](#) — HackerRank | Feb 2025
- Software Development Engineer (SDE) Internship — Bluestock Fintech | May–Jun 2025
- Quiz on National Flag — Department of Youth Affairs, Ministry of Youth Affairs & Sports | Aug 2025

PROJECTS

Swiggy Clone & Flipkart Clone

- Developed fully functional front-end clones of Swiggy and Flipkart, leveraging HTML5, CSS3, and JavaScript to deliver interactive user interfaces.

Designed responsive web layouts with modern CSS principles (Flexbox/Grid), ensuring cross-browser compatibility and seamless viewing experiences across devices.

Student Management System

- Engineered an interactive student directory application using HTML5, CSS3, and native JavaScript DOM manipulation for dynamic content updates.

Implemented full CRUD (Create, Read, Update, Delete) operations with client-side state management to dynamically store and manage student records.

Travel & Tourism Website

- Designed and developed a responsive travel tourism portal using HTML5 and CSS3 to showcase travel packages and regional guides.

Structured clean layouts prioritizing visual hierarchy, intuitive navigation systems, and optimized image loading times to enhance user engagement.

EDUCATION

B.Tech in Computer Science & Engineering

NIMS University | Expected: August 2027 | CGPA: 7.8 / 10 (up to 5th Semester)

Relevant Coursework:

- Computer Networks
- Operating Systems
- Database Management System (DBMS)

Class XII — CBSE Board

Noida International Public School | Percentage: 65%

Class X — CBSE Board

Noida International Public School | Percentage: 70%

ACHIEVEMENTS & EXTRA-CURRICULAR ACTIVITIES

- Completed multiple real-world web development projects independently, demonstrating initiative and self-learning ability.
- Actively contributed to open-source repositories on GitHub, enhancing collaborative coding skills.
- Participated in college-level coding competitions and hackathons.
- Engaged in peer learning sessions and tech communities focused on front-end development.
